From the Deputy Comr, Kolar dt. No. 268 dated 31.12.15: Forwards the report called for on the petition of Sri Rama Rao, Kayamguttadar of Thornahalli in the Malur Taluk.

From the Deputy Comr's letter it is seen that the temple of Sri Chappal ammadevaru is not a Muzrai institution, but that a jatra is being held every year and that a large no. of cattle (ranging from 40 to 50 thousand) assemble on the occasion. The D. C. therefore proposes that as prayed for by the petitioner and recommended by the Sub-Division officer & the Taluk Board, the temple may be taken under Govt management and further recommends that sanction may be accorded to the levying of fees on cattle and shops similar to the rates sanctioned for the jatra at Vakkaleri in the Kolar Taluk as an experimental measure for 3 years. But the Deputy Comr does not state what the rates levied at the latter jatra are. But in the Amildar's report it is stated that 6 ps. is the rate levied on each

The order sanctioning levy of fees on cattle and shops during the above jatra is put up for reference, but the list showing the scale of rates proposed to be levied by the Deputy Comr. and sanctioned by Govt is not forthcoming. As the jatra is said to commence from on the 25th of this month and to last for 8 days, the D.C.'s proposal may, if approved, be sanctioned as an experimental measure for three years.

The humble petition of Sri Rama Rao, Kayanguttadar of Tornahalli Village, Narasapurada Hobli, Malur Taluk, Kolar District.

Most Respectfully Sheweth that:

1. The petitioner's ancestors built a Temple for Chappalamma, some 40 or 50 years back in a big Maidan which is situated nearly 1 mile away to the West of Tornahalli village and d u g a small Kuntey near it. The Temple is small.

2. Gradually the fame and name of the Goddess was made known to all and a big Parshe (Fare) takes place every year for Chappalamma in the month of January, when nearly ten thousand people and 40,000 to 50,000 cattle, gather together from all parts of the State, such as - Kolar, Tumkur, Bangalore,, Madras, Salem, Trichinopoly, Tiruttani, - Coimbatore, and Gudiyattam &c.,

3. The Parshe was small at the beginning and it was being managed by the ancestors of the petitioner and the petitioner himself. Now it has become unmanageable by the petitioner owing to its growing bulk and the petitioner needs help.

4. The petitioners income out of the village is too small and he is unable to offer all the necessary conveniences to the people as well as to the cattle that come for the Parshe.

5. The Temple is too small to offer shelter to all the people and there is no other building in the Maidan. There are very few trees in the Maidan to offer shelter to the cattle. Nor the water of the Kuntey is sufficient. The Tank near the village is also out of repairs, and is in no way useful for the Parshe purpose.

6. Therefore the petitioner prays that:

1. The management of the Parshe may kindly be taken into the hands of the Government:

2.. A Tax suitable to the place be levied on the cattle as well as on the shops, as is in other Parshes.

3. Out of the income so derived a reasonable portion may be given to the petitioner as a sort of rent to his land and the rest be used for affording all the necessary conveniences to the Parshe and make the necessary repairs to the Temple.

4. The petitioner may also be made one of the prominent members of the committee of the management and place the Parshe on a permanent footing.

Sor,

Adverting to your office memorandum No. 2214/Muz.366-13-2 dated 25th February 1914, calling for a report on the petition of Sri Rama Rao, Kayamguttadar of Thornahalli, in the Malur Taluk, praying that the temple of Sri Chappalamma Devaru in kayamgutta Thornahalli village, Malur Taluk , built by the petitioner's ancestors may be taken over under Government management and maintained from out of the amount realized from the jatra held in honour of the deity, I have the honour to state that the temple referred to is not a Muzrai Institution, as it is endowed with neither Land Inam nor cash grant.

2. It is reported by the Amildar that a jatra is being held every year and a large number of cattle congregate on the occasion. No reference is forthcoming as to when sanction was obtained for holding the jatra. Unless the levy of fees on cattle and shops , in accordance with the scale sanctioned by Government for the Vakkaleri jatra, is introduced to this jatra also collections made through the Government agency for a few years, difficult to estimate the annual income. It is also reported improvements are required to be made in respect of supply etc. The Sub-Division Officer, Malur

recommends that the temple may be taken under Governmet management, as prayed for by the petitioner and this is also supported by the Taluk Board.

3. Under the foregoing circumstances, I request that sanction of Government may kindly be obtained for the levy of fees on cattle and shops similar to the rates sanctioned for the jatra at Vakkaleri in the Kolar Taluk as an experimental measure for three years.

4. The vernacular file of correspondence ending with the Malur Sub-Division Officer's yadi No. 841 dated 23rd instant is enclosed for reference.
